Sir:

The attention of the Office is directed to the Patent Term Adjustment reported by the Office for the instant case. The reported PTA of 102 days may be 2 days longer than appropriate, due to the date of December 9, 2004 attributed to the commencement of the National Stage in the Patent Term Adjustment computation by the U.S. Patent and Trademark office being 2 days earlier than the date of December 11, 2004, that is 30 months from the earliest priority date, which is believed to be the correct date of entry into the National Stage under 35 U.S.C. § 371(b). Applicant respectfully requests that the Office verify and confirm the applied PTA before issuance of the patent.

Respectfully submitted,
